COLORI

I Colori delle lavorazioni, in tonalità lucida o opaca, si possono scegliere da cartelle RAL o da numerosi smalti MICACEI.

RAL

Colore a scelta da cartella RAL completa: maggiorazione 8%

MICACEI

Lo smalto micaceo è un tipo particolare di smalto sintetico che conferisce al supporto verniciato un aspetto metallico.

Lo smalto micaceo resiste all'abrasione e all'acqua.
